**PRODUCT DESCRIPTION**

The Aston commode chair is engineered as a heavy duty model that is easily cleanable and perfect

for both commercial and domestic environments.

- **Seat is moulded for comfort**
  - **Armrests flip up for side transfers**
  - **Backrest adjusts tool-free**
  - **Simple e-clip height adjustment**
- 
- Can be used solely as a commode where access to toilet is difficult
  - Also assists in transporting users with restricted mobility from toilet to shower, or vice versa, to limit moving and handling transfers
  - Self-propelling rear wheel kit available for easy attachment to enable independent use
  - Polyurethane (PU) seat, seat-infill, back and armrests are water-impermeable, easy to clean and comfortable
  - Bright blue upholstery provides strong colour contrast for visually impaired users
  - Seat is moulded for comfort and warmth and has a front cut-away and rear recess to facilitate personal hygiene
  - Lightweight, rustproof aluminium frame for ease of manoeuvring/handling and longevity
  - Simple e-clip height adjustment to suit different toilet heights
  - Tool-free height and angle adjustable footplates accommodate user support requirements
  - Footplates swing in/out to facilitate transfers and are easily removable for ease of storage and transportation
  - Armrests flip up for side transfers
  - Backrest adjusts tool-free in height to suit user and is easily detached/reassembled for storage and transportation
  - Supplied with a 5 litre potty with lid, which is easily removable by sliding from rear of seat
  - 4 substantial (12.7cm (5")) braked castors, manoeuvre easily over different floor surfaces and can be locked in any direction for improved safety
  - Clears standard and disabled WC's for optimum versatility
  - Rust-proof, easy-reach aluminium brakes on self-propelling wheels allow stable positioning and are durable
  - Can be cleaned easily in domestic environment or thermally decontaminated in automated washing machines
