

Outdoor Rubber Backed Mat

U S A G E & C L E A N I N G I N S T R U C T I O N S

Ideal for prevention of falls in and around the home.

- ⚠ This mat is designed for outdoor use.
- ⚠ Mats are to be placed on a clean dry surface.
- ⚠ Not recommended for use on carpeted surfaces.
- ⚠ Not for use in wet areas such as in shower recess or bath.

Use

Great for use anywhere around the home, these mats are specifically designed for use outdoors or in high traffic areas. Ideal for entrances, exits, hallways and external paths.

The mat will capture and hold up to 5.4 litres of water per square metre while small drain holes help to release moisture from the mat surface. Not for use in wet areas such as in shower recess or bath.

Safety

Evadale Indoor Mats are inherently stable, however, they should not be used on steep inclines or in areas with potential safety hazards (such as rough or unstable surface).

Cleaning

For light soiling, the mat can be swept or gently vacuumed.

Washing

For deeper soiling, clean the mat using an outdoor garden hose and/or rinse in a deep sink.

Do not attempt to wash using a domestic washing machine.

Drying

Design with quick drying properties, remove excess water from the top fabric and hang mat to air dry.

Not suitable for tumble drying.

Storage

Store in a cool, dry location out of direct sunlight
