

## Swivel Bath Seat

Designed for showering over the bath, the lightweight base frame fits the majority of bath tubs.

The moulded plastic seat includes drain holes, comfortable contoured back rest and side support arms for added security.

The seat swivels 360° in both directions and includes a locking lever for set positioning and maximum user safety. The powder coated metal frame includes non-slip stoppers for maximum grip on the bath edge.

*When using the Swivel Bath Seat, do not use any bath salts or other corrosive additive in the bath water. Doing so may cause corrosion which is not covered under the product warranty.*

CODE	BL1522
